with reference to Sl. 8 supra requests that Dr Seal's leave may be extended up to the end of March 1922.

The Comptroller's certificate to the effect that Dr. Seal is entitled to 1 month & 9 days privilege leave is dated 27th Feb-1922 from which it has to be inferred that the leave is calculated as due on that date. The account of privilege leave at his credit as on 18th Feb 1922 from which date he has been granted leave may therefore be somewhat less. If the leave is extended up to the end of March - the total period will be one month and fourteen days which exceeds the amount of privilege leave actually at his credit.

A fresh certificate showing the privilege & other leave at the credit of Dr. Seal on the 18th Feb 1922 will have to be obtained from the Comptroller before recommending the extension of leave.

10th March 1922

Dear Mr. Mathai,

After passing through
a critical stage my son grew
convalescent on the 25th & 26th day, and
I left for Bombay to join my work in
Mysore, but suddenly there came on a bad
relapse, and I have been called back.
My son is in the hospital, miles away from
this place, and we are strangers here,
1400 miles away from home as well as
from Mysore. The College has broken up for
the summer vacation, and my son is
absolutely friendless & helpless. His condition
is grave and critical, and I have been

Compelled to ask by telegram for extension of my privilege leave. ~~[illegible]~~ As my I may have to call up a eminent specialist from Bombay, and nobody would come except on my invitation Ahmedabad has no facilities — I have brought two nurses from Bombay and have provided myself with requisites for the day of Convocation.

The Senate meets on the 18th inst. The Budget Estimates as passed by the Council on my recommendation will have come up to Government, and will be placed before the Senate with the observations & directions of Govt. as regards Govt. grants.

If the meeting of the Senate can be postponed to the first week in April, I shall be in a position to preside — otherwise the senior member present will be Chairman.

The present condition of my ear is to cause a little anxiety — that I have contented myself with applying for extension of my leave.

I am asked by the Registrar to make the necessary arrangements.

Yours sincerely

GOVERNMENT OF MYSORE

D.O. No. S 687/GB 187-21 GENL. & REV. SECRETARIAT,

Bangalore, 14th March 1922.

Dear Dr. Seal,

Your letter of the 10th instant was received by me yesterday. I am very sorry to learn that your son has had a relapse and that his condition is causing grave anxiety. I do hope he is now out of danger and that your anxiety on his behalf will have by now been dispelled.

Regarding the Senate meeting on the 18th instant it is understood that it would not be quite convenient to postpone the meeting; but under the instructions of the First Member of Council, I have written to-day to the Registrar suggesting that the consideration of the budget may be postponed for a special meeting if the Senate is agreeable to this course when you might be present.

I was in Mysore last Saturday and under instructions from Government I went through the details of the budget estimates of the University with the Registrar. The Government do not find it possible to give a grant exceeding Rs.5,50,000 for the University this year and in order to ensure a minimum balance of one lakh, reductions to the extent of about 62,000 rupees have been suggested in a letter which I addressed to the Registrar, yesterday.

With kind regards,

Yours sincerely,

Dr. B. N. Seal, M.A., Ph.D., D.Sc.,

Dear Sir,

The Vice-Chancellor has written to me from Ahmedabad under date the 10th instant that he has been compelled to apply for ~~the~~ an extension of his leave. In his letter Dr. Seal writes as follows regarding the next meeting of the Senate:-

"The Senate meets on the 18th instant. The budget estimates as passed by the Council on my recommendations have gone up to Government and will be placed before the Senate with ~~their~~ observations and directions of Government as regards Government grants. If the meeting of the Senate can be postponed to the first week in April, I shall be in a position to preside, otherwise the senior member present will be Chairman".

~~From the talk I had with you the other day at Mysore~~, it is understood that it would be inconvenient at this stage to postpone the meeting of the Senate. The Government desire me to say that the Senate meeting may be held on the day now arranged, but to suggest that if the Senate agree the consideration of the budget may be postponed to a special meeting in the beginning of April when the Vice-Chancellor might be expected to be present. This might perhaps be suggested by you demi-officially to the Senior Member who would preside in the absence of the Vice-Chancellor.
